

Margaret Carroll & Mark Emery  
Chair & Coordinator  
The Elgin Stewardship Council

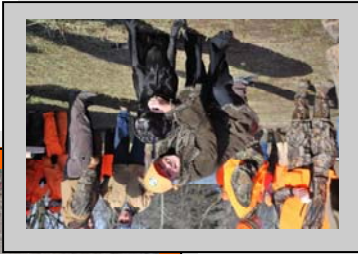

Thank You,  
Sincerely

### Elgin Youth Hunting Day.

The goal of the Youth Hunting Day is to inspire youth participants to learn about wildlife conservation and management through a hunting experience. We hope that you have gained a broader understanding of hunter safety, ethics and the camaraderie of a successful hunt. Be sure to tell your friends about your hunting experience and watch for the upcoming 6th Annual

The Elgin Stewardship Council would like to thank you for participating in the Fifth Annual Elgin Youth Hunting Day. With great weather, good attendance, a perfect venue, and amazing support from various community partners, the event was a huge success.

# THANK YOU!
