

Margaret Carroll & Mark Emery
Chair & Coordinator
The Elgin Stewardship Council

Thank You,
Sincerely

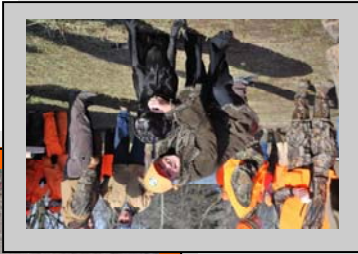

Annual Elgin Youth Hunting Day.

We look forward to partnering with you again next year for the 6th

Your support enabled youth participants the ability to learn about wildlife conservation and management through a hunting experience, as well as to develop a better understanding of hunter safety, ethics and the camaraderie of a successful hunt.

The Elgin Stewardship Council would like to sincerely thank you for your gracious support in hosting the **Fifth Annual Elgin Youth Hunting Day**. With great weather, good attendance, a perfect venue, and amazing support from various community partners, the event was a huge success.

THANK YOU!
